Clubs and Organizations

Co-Lin provides a well-rounded program of student activities. It is part of our philosophy that students gain development for life citizenship from participation in various organizations as well as from classroom activities. Students spend countless hours performing community service.

"Monsters"

The Co-Lin Blue Wave Show Band featured great music brought to you by a highly energetic group. The band is filled with drills, loud horns, powerful percussion, thrilling woodwinds, and an exciting brass. Flashy costumes, and a hint of insanity are seen throughout each and every performance. "Monsters," the 2008 theme, proved to be a very scary and captivating program.

Waking up, muscles still and sore from last night's final practice of the season, images of the intense workouts completed throughout the "off season" flash through your mind - summer days spent running sprints until your lungs feel like they will explode, increasing the weight doing bicep curls, making your arms feel as though they will turn to Jell-O, remembering the all-day Saturday competitions that built long-lasting friendships among team members. Nerves begin to tighten as you anticipate the final game of the season. The success of the training solely determined by this competition's outcome. Many teams come through their season performing at their highest levels, allowing them to capture many victories which placed them high among the state and the Nation. No matter where Co-Lin placed, a large number of fans always supported each team along the way.

Spring Fling 2008

Tiki Time

Spring Fling Week, April 21-24, provided fun and relaxation for student, faculty and staff before final exams. Events included Slip & Slide by the Bridge, Cookout in the Courtyard, Movie Night "Surf's Up", Bobby Moore & the Rhythm Aces, Crawfish or Sausage Dog Supper, Beach Bash, Limbo Contest and Dance Contest. Students enjoyed a A Day at the Lake with jet skiing and boating, beach volleyball, flag football, tug-of-war and a bikini contest.

Let it SNOW!

One of the largest snowfalls in history blanketed the Wesson Campus the first day of fall exams in December. Over five inches of snow fell over the area. Although exams had to be rescheduled, everyone enjoyed the beautiful snowfall. Snowmen and snowball fights could be seen all over campus. Some found make-shift sleds and slid down the hill by the bridge.

a new era begins

This has been a historic year at Co-Lin and the United States as we both have new leaders. Dr. Ronnie Nettles began his tenure as Co-Lin's seventh president on July 1, 2008. Under his leadership, Co-Lin will continue to move forward in its mission to serve our students and constituents.

In November, many rejoiced as the first African-American, Barack Obama, was elected as the 44th president of the United States.

The year has also brought sadness to our campus as we mourn the loss of four students, Sarah Taylor of Brookhaven, Justin Rashad Middlebrook and Isaiah Rashal Tucker, both of Lawrence County and Sarah Roberts of Brookhaven.

The Co-Lin faculty, staff and students remain strong and supportive during good times and bad, that is why

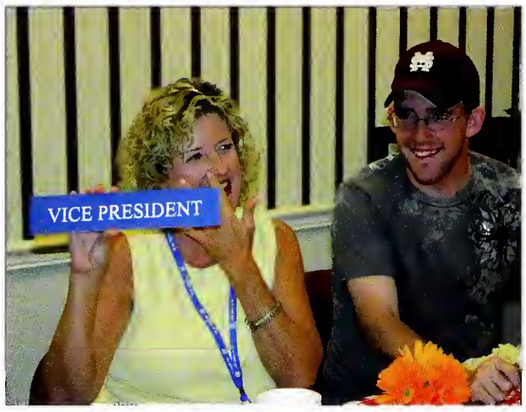
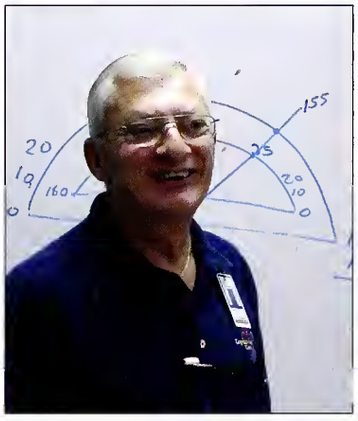
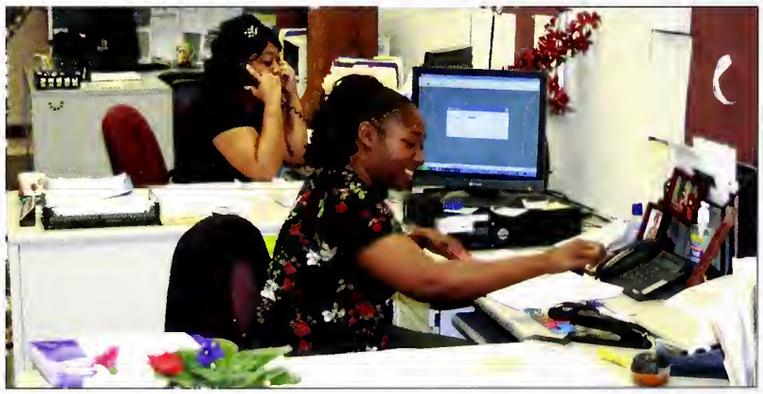
The Place to Be







Vice President Teresa Busby

Vice President Teresa Busby and son William Jones

Teresa A. Busby has been vice president of the Natchez Campus since July 1, 2006. Under her leadership, the Natchez Campus in 2008 underwent several changes and improvements. Busby's title was upgraded from dean to vice president thus adding district-wide responsibilities to her role. The campus hosted and co-sponsored several major events of which Ms. Busby was a part including the Natchez Literary and Cinema Celebration, honoring the centennial of Richard Wright; a very successful drive for our soldiers overseas and our veterans at the G. V. Sonny Montgomery Veterans Medical Center in Jackson; a moving and special Veterans Day Program for the community; and the securing of funds to build a new Health Sciences building. Ms. Busby encourages our students to join clubs and organizations on campus as a way to give back to their college and community, and they have been very active. Near and dear to her heart is the kind and humane treatment of animals and she serves on the Board of Directors for the Natchez-Adams County Humane Society. She also serves on the Board of Directors for the Natchez-Adams County Chamber of Commerce, where she serves as Education Committee Chairperson, and the Board of Directors for the Natchez Little Theater. Dedicated to ...

Marguerite Wright

Marguerite Wright's personality is one of her charming and endearing qualities. Her sweet smile, humble disposition and soft-spoken voice sometimes mask the fact that she is a dedicated and experienced professional. A line from a popular song aptly reflects Mrs. Wright's personality: "Never is heard a discouraging word." She joined the Co-Lin family in 1988. Since then she won the High Performance Award and has served as advisor to the Baptist Student Union.

She is a mainstay in the Business Office scaling the mountains of bills, purchase requisitions and petty cash receipts with efficiency and enthusiasm. She is a terrific colleague and a wonderful person.

Thank you, Mrs. Wright. We are honored to dedicate the Natchez Campus section of *Trillium* to you.

tril•li•um |ˈtrilēəm|

noun

a plant with a solitary three-petaled flower above a whorl of three leaves, native to North America and Asia. · Genus Trillium, family Liliaceae (or Trilliaceae): several species, in particular red (or purple) trillium (*T. erectum*).

ORIGIN modern Latin, apparently an alteration of Swedish *trilling 'triplet.*"

From the 1937 Trillium:

Eight years have passed by since the students of Copiah-Lincoln published their last volume of *The Co-Lin*. Since then much water has gone under the bridge. Many changes have been wrought in our college. We have ridden triumphantly out the the depression, preserved our traditions, and achieved some of our ambitions. We have grown steadily stronger in the things that make a college great. Academic achievements, dreamed of in 1929 have become ours; athletic honors, cleanly won on fair fields of competition have brought us fame; character education has continued to be a noble influence in our class-rooms.

Now, to celebrate the glories of our greater college and to better preserve its hallowed traditions, we are publishing, after a lapse of eight years another annual, which we christen *The Co-Lin Trillium* in honor of our beloved Alma Mater and a wild spring flower, native to the fields and woods of Copiah and Lincoln Counties.

From the 1938 Trillium:

What is The Trillium?

We, the rural sections of Mississippi, are too often unfamiliar with many of the common yet beautiful natural plants about us. One of the most common of these is a simple little plant, the trillium, whose foliage is particularly interesting to us as students of the junior college. Three counties levy taxes to a common fund to maintain this school. Three leaves join on a common stem to maintain this flower.
